

Walk-in Community Vaccination Clinic

for children aged four to 16 years only

Date: Wednesday 13 December

Time: 3pm to 5pm

Location: Barlby Primary School
Treverton Street W10 6BH

Has your child missed their flu vaccination at school? Would you prefer your child to have the gelatine-free flu injection? Is your child up to date with their MMR and polio vaccinations?

Vaccinations available are:

- ▶ Flu nasal spray – contains small traces of pork gelatine
- ▶ Injected flu vaccine – does not contain gelatine
- ▶ MMR and Polio vaccines – if your child is not up to date with vaccinations

Teenagers can also get vaccinations for:

- ▶ Human papillomavirus (various cancers including cervical) (HPV)
- ▶ Diphtheria, Tetanus and Polio (Td/IPV)
- ▶ Meningitis and Septicaemia (MenACWY)

For more information or if you can't attend and want your children vaccinated call the CNWL Child Immunisation Service on **020 3317 5076**.
